A WORD OF THANKS

And now that the last page is almost turned, it is time to write *finis* and close our high-school days with this book. But, for one last glance backward, one last re-reading of a chapter, the making of this, our Highlander, stands out in bolder print. How can we better say "Thank you" to all those who have worked with us—who have given of their time, talent, and finances that this book might be what it is—than to treasure it for the pleasant memories it will bring in years to come, and to say simply—"It has been a 'grand' four years!"

THE SENIOR CLASS.

To Mr. Harold Lee, of the Terry Engraving Co., the class of 1940 express their sincere gratitude for assistance and advice in photography, plates and art work.
